**The Tees Valley Learning Provider Network** supports apprenticeships across the whole of Tees Valley and its members include training providers, colleges and universities (apprenticeship providers). Under the current Covid-19 restrictions to support you to progress on to an apprenticeship, we have produced a guide showing each apprenticeship provider's recruitment advice. It is almost 'business as usual' and all providers have adapted to be able to support you remotely. Whatever your own circumstance on your next steps, whether you have expressed interest, applied for or secured an apprenticeship this document will be able to support you.

If you/your pupil hasn't decided or applied for an apprenticeship or has applied directly to an employer please direct them to the Tees Valley Learning Provider Network and we will be more than happy to help - [jo.thompson@twvbl.net](mailto:jo.thompson@twvbl.net)/[rachel.mccready@twvbl.net](mailto:rachel.mccready@twvbl.net)

***Please note that the Providers in this document are only Apprenticeship Providers that are members of the Tees Valley Learning Provider Network so there will be other Providers to whom you can apply.***

**Take care and best wishes from The Tees Valley Learning Provider Network**
