Opportunities for access

The School will arrange a Careers and Aspirations Day in the first term (September –December) as part of the next step planning and setting the aspirations of our students. This day is integrated into the School careers programme and will offer providers an opportunity to come into the School to speak to pupils and/or their parents/carers. Details of these can be found within this policy and the careers section of the website.

We also arrange a series of Careers Cafes held at lunchtimes. These are based on Local Market Information and Employers and Provider (if appropriate to the LMI area) will be invited / request to attend these events also.

Please speak to our Careers named contact to identify the most suitable opportunity for you.

Premises and facilities

The School will make space available for discussions between the provider and students, as appropriate to the activity. The School will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Office, which is managed by our Careers Professionals. The Careers Office is available to all students at lunch and break time on a Monday and Friday.
