

July Newsletter 2023

Message from the Principal

As we head into the summer break, we can reflect on what an amazing 2022-2023 the school has had.

We celebrated a fantastic Ofsted inspection and the schools best-ever GCSE results.

With COVID lockdowns behind us, it has been lovely to see the extra curricula elements of the school bloom once more. From the trips to Peat Rigg and Greece, our impressive sports teams, the large numbers of students challenging themselves with our Duke of Edinburgh expeditions and the many students who commit themselves to afterschool drama and music productions. It was fantastic to see the school show 'Bugsy' back this year, to rave reviews!

So much has gone on this year, I hope you enjoy reading about it in our last newsletter of the academic year.

At the end of each year, we always have goodbyes to say. To our Year 11 students, we thank them for their hard work during their time at Ingleby Manor. We look forward to seeing them on results day, to share in their successes and hear about their next steps.

To Mrs Waite and Miss Aslett who are leaving us this summer, I wish you the very best for your future careers and thank you for the service to our school and community you have provided. To Mrs Newlove, Miss Popa, Miss Donnelly, Mr Clark, Miss Towers and Miss Powell, we extend a warm welcome to you as you join our school family.

Finally, I would like to thank all the staff at Ingleby Manor Free School who have worked incredibly hard throughout the year. Once again our catering, finance, administration, pastoral, grounds, SAB and teaching staff have gone in many cases, beyond the call of duty, to make sure we operate as effectively as we can. They embody what teamwork is about and I am, grateful for their work and rightly proud of them.

Enjoy the summer break with your families and loved ones and we look forward to welcoming our students back in September.

Best Wishes

Ray Parkinson

Ingleby Manor Wider Curriculum 2023-24

Firstly, a huge congratulations to all of our Y7, 8 and 9 students who achieved their bronze, silver and gold earn your marks awards this year. Our students achieved these awards by taking part in the wider curriculum as part of their school day.

We also had several Y9 students who achieved their platinum award (photographed below) for taking part in activities outside of school as well as completing the wider curriculum.

well done.

There have been many highlights from the wider curriculum this year including the graduation ceremonies.

Our Y7's have worked hard in environmental responsibility to make bird feeders. These have been hung on the trees in the school yard and will be integrated into our school garden which will be ready to use from September. In future citizens Y7 students visited St Francis of Assisi Church as part of their study of different religions. They also learnt about Diwali festival and made their own Diwali lamps.

In Y8 students completed litter picks round the school grounds. In global citizens students studied different cultures and held their own international festival. In future citizens created their own new world and discovered how democracy plays a key role in the world.

In Y9 future citizens students re-enacted a trial, taking on the roles of barristers, judge, and jurors. In healthy lifestyles students improved their camping skills, experiencing what the Duke of Edinburgh award will entail. This included erecting tents, planning walking routes and celebrating by making their own hot chocolate on stoves. As part of enterprise and aspiration our Y9 students heard from guest speakers about apprenticeships and life post 16. Some of your students were also able to visit Middlesbrough College as part of the World Skills Taster Day.

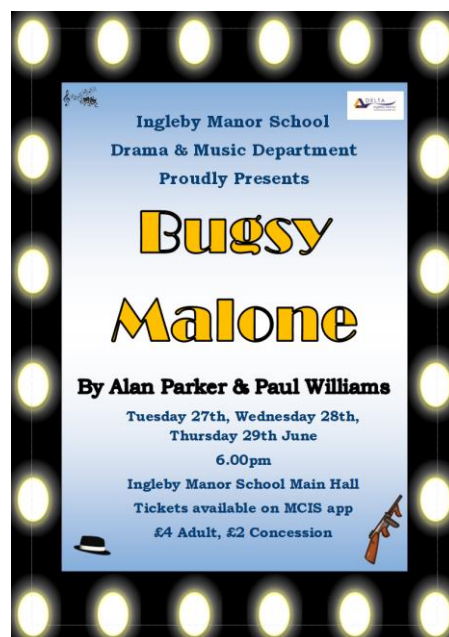

Prom 2023

Students had a wonderful time at their Prom held at Gisborough Hall on Tuesday 27th June. They all looked amazing and their behaviour was impeccable.

Summer Show

In January of 2023, the drama and music departments of Ingleby Manor School decided to turn the Main Hall into a 1920's speakeasy, which they would fill with student Gangsters shooting each other with splurge and silly string. "Two Banana Boozles with double ice-cream, nuts and chocolate sauce, two cream Arizona doughnuts and a coke with two straws..." and six months later we were clearing up an awful lot of splurge!

59 Students from Years 7 – 10 took part in our summer production of Alan Parker's Bugsy Malone. Students were both onstage and behind the scenes running the sound, lighting, props and stage management. The show was a huge success, wowing audiences of parents, friends and invited local Primary schools! Thankfully the cleaners are still talking to us.

Duke of Edinburgh

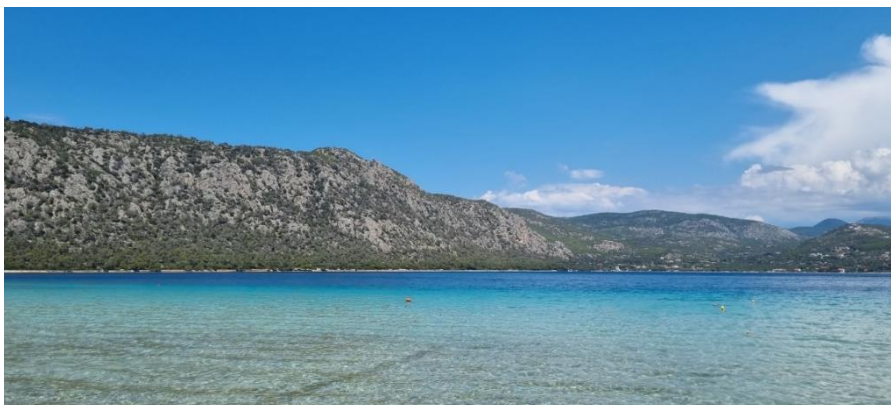

The Duke of Edinburgh award has proven to be a huge success this year. We have had Bronze and Silver expeditions running this academic year. Both awards require a lot of hard work and dedication from students to complete the award. The Bronze award saw 30 students walking from Whitby to Staithes over 2 days while they camped at Lythe. We were spoilt with the weather this year. This did mean more water and sun lotion breaks were needed for the students and the staff! What a fantastic group they were, from the miles of walking they completed to how they conducted themselves at the campsite.

Hopefully many of the students who completed the Bronze award will be keen to complete the Silver next year. The Silver award was trickier terrain and tougher navigating in comparison to the Bronze, but they achieved walking just over 30km on the first day which saw them walk from Thirsk to Chop Gate. This was an incredible achievement, but this came at a cost in the form of blisters for many. They then completed the second days walk and finished the route at Hemlington. Both the bronze and silver groups showed great character and resilience and hopefully the DofE award will be something they look back on in years to come with fond memories! Well done to all involved!

Greece 2023

This summer term saw the PE department jet off with 78 students to Sportscamp Greece to play netball and football. After a long day of travel the students first experience of Greece was a splendid day spent sight-seeing some ancient Greek ruins and basking at the most picturesque lake Heraion.

Massive congratulations to the year 10 boys who were unbeaten in their football fixtures and well done to both year 9 football teams who had mixed results. The netballers were as equally strong in their fixtures with each team winning and losing against some extremely challenging Greek opposition. All students conducted themselves with fantastic sportsmanship and demonstrated excellent behaviour towards each other and their opponents. They were a huge credit to themselves and to Ingleby Manor School.

The rest of the trip was filled with lots of fun sports activities including; swimming, table tennis, basketball, beach volleyball and tug of war all creating opportunities for staff and students to build new friendships and work on resilience as well as having continued fun in the sun!

Our final day was spent exploring Athens and its famous sights; Panathenaic Stadium, the Acropolis and Plaka which gave students a flavour of traditional Greek history and lifestyle, an amazing way to end a fabulous trip.

Sports Day 2023

It rained!

Although the weather was not kind to us this year, we managed to adapt our sports day this year with some indoor and outdoor activities for the students to enjoy.

Recognising Success

Elizabeth Ronchi De-Bodt

Elizabeth impressed senior leaders with her academic ability and work ethic and was moved up an academic year at the end of year 9.

Elizabeth has completed the key stage 4 curriculum in just over 12 months, and has studied additional GCSES in Further Maths, Statistics, Geography and Computer Science.

She has now completed her GCSEs one year early and is predicted top grades! Elizabeth is moving on to do A Levels in Maths, Further Maths, Physics and Computer Science at Queen Elizabeth college in September; she hopes to pursue a career in Quantum Physics. We wish you all the best in the next stage of your education Elizabeth. Thank you for being an outstanding student

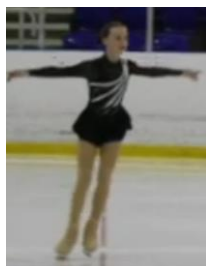

Allison Ronchi De-Bodt

Some of you may have seen Allison in year 7's beautiful ballet performance in the school production of Bugsy Malone. We were delighted to hear that she has been selected to be part of the English Youth Ballet's production of Copellia in Sunderland. This involves a summer of rehearsals leading up to a weekend of shows on 1st and 2nd of September.

Allison has also successfully auditioned for her third year of Royal Ballet Associates from September, (there are fewer than 100 Mid Associates across the country for her age!)

Sasha Wilcox came 4th in a National Figure Skating Competition.

Ruby Baker and **Isabella Egan** are taking part in a local summer production of Aladdin

Does anyone know a word longer than pneumonoultramicroscopicsilicovolcanoconiosis?

After winning our in-school KS3 Poetry competition, five of our KS3 students had the absolute pleasure of being invited to, and attending, the next stage - which was Delta-wide! This celebration event took place down at the Delta Education House in Knottingley, on the 30th June. The impressive venue was alive with excitement right from our arrival! There were two speakers on the day; author Darren Simpson and freestyle rapper Rob Bradley. Both of whom were fantastic.

First, Darren Simpson gave a talk about where he draws inspiration from when writing his books and left us all amazed at some of the fascinating facts he discovered about crows whilst designing the villain for one of his latest novels! He then gave us an opportunity to ask any questions we wanted - turns out that he supports Nottingham Forest FC, has definitely thought about what it would be like to live in one of his own books and we even found out that he's based characters on some people he knows in real life too.

Next, we were treated to a live talk from Rob Bradley, the freestyle rapper - who talked to us about the similarities between rap and poetry - especially when it comes to rhythm. But one of the highlights of the day was when he walked around the room and took word suggestions from the students that he included in a completely improvised rap. Our very own Allison (year 7) provided him with the longest word he said he'd ever heard of: pneumonoultramicroscopicsilicovolcanoconiosis. His rap blew everyone away and Allison was delighted to hear him even manage to include her monstrous word too!

Overall, a great day was had by all - Allison, Oliver, Anneliese, Amna and Sophia deserve a massive congratulations for being such amazing poets - it was a tough competition; in the end, our students didn't quite make the top 3 (but that was out of 1000s of students!) Hopefully we see a lot more impressive work from them in the future! And to everyone else, keep your eyes peeled for lots more of these exciting competitions next year!

Art & Graphics

We have been really impressed with our fantastic artists this year!! We have had a brilliant year in the art department, students have been engaged in lessons and really progressed their skills – well done!

Art & Graphics class of 2023 congratulations to you all!
Our year 11 leavers submitted excellent coursework and exam pieces. They were fantastic students and we had lots of fun teaching them over the years, we wish them all luck for their future adventures!

Our year 10 students have blown us away with their art & design skills! They have had a brilliant first year of their GCSE course, a pleasure to teach and we are excited to see the work they produce in year 11!
Stay focussed year 10, you are capable of fantastic things!

Our key stage 3 artist have been wonderful, well done everyone!

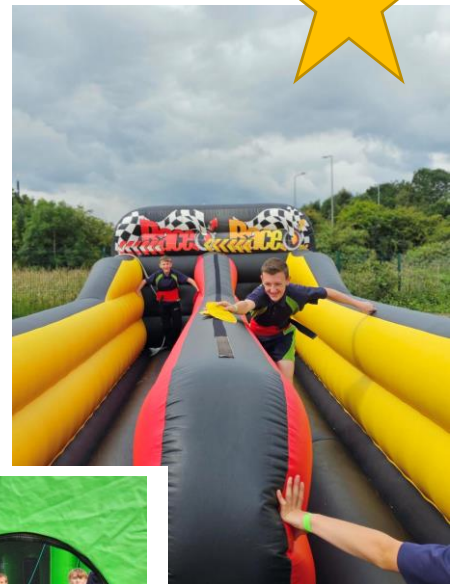

Year 7 have excelled, an absolute joy to teach you all, well done! They have explored a wide range of media and techniques and created their own work exploring the formal elements, bugs and pop art. KA POW!!

Year 8 have developed their art skills and experimented ways to use materials in more sophisticated way. They have created some beautiful pieces with the themes of natural forms, landscapes, impressionism, and surrealism. Well done everyone!

Year 9 have been pushed and challenged to increase their art knowledge and technical skill set. They have explored the theme of food and created a beautiful selection of work using a wide range of media. They then progressed to an animal topic, again exploring a wide range to create a personal outcome. Well done, looking forward to seeing lots of you next year for GCSE!!!

Summer Fun Day

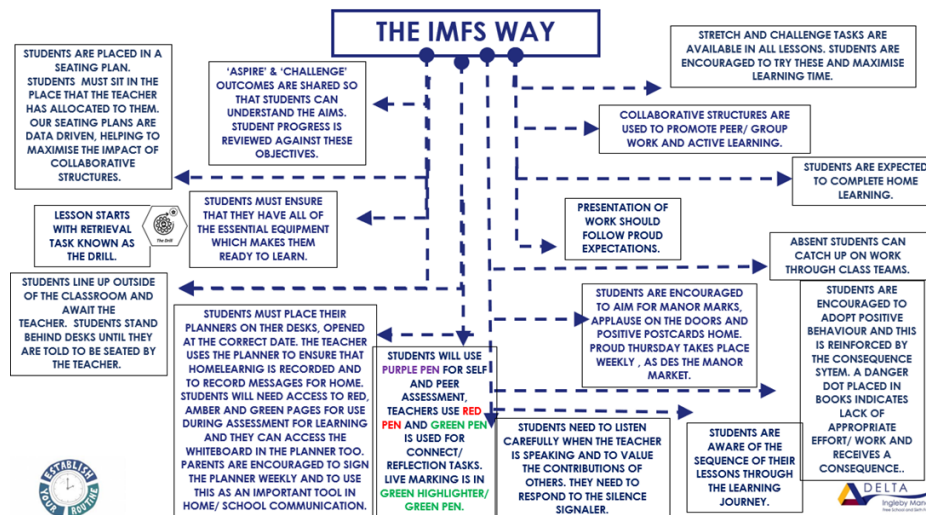

Students had a fantastic day taking part in sessions on the inflatables, team building with Outdoor Ambition, Mr Dunnings Escape Room and also chilling out in the IMFS Cinema.

Teaching and Learning at IMFS

The Teaching and Learning Team wanted to use the Summer 2023 edition of our newsletter to detail some of our classroom routines and expectations so that parents and carers are fully aware of them.

Year 10 into 11 Summer Bridging Work

Year 10's going into Year 11 have been set home learning tasks in their class Teams which relate specifically to the Year 10 Mocks which have been recently sat. It is important that they consolidate their learning and close any gaps that were identified in the mocks.

Home Learning Expectations (Revised 2023-24)

KS3

Teachers will set Home Learning in class and students will record this in their planner. Teachers will also set Home Learning as an assignment on Teams.

Home Learning will be set weekly in Maths, Science, English, MFL, History and Geography. All other subjects will set Home Learning fortnightly, other than Art which will set a half termly project.

In most subjects, Home Learning will be an electronic quiz set on forms. These quizzes relate to retention and recall and are based on the Delta Knowledge Organisers and Schemes of Learning. These quizzes can be completed on an iPhone, an iPad or a desktop computer.

More information on our new Home Learning approach at Key Stage 3 will be shared in September.

Home Learning Club takes place Monday to Thursday from 3.30 to 4.30pm and all are welcome to attend.

KS4

Teachers will set Home Learning in class and students will record this in their planner. Teachers will also set Home Learning as an assignment on Teams.

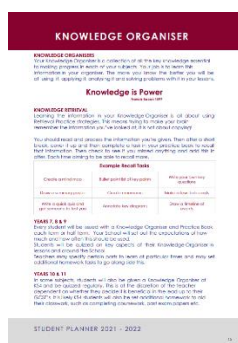

KS4 Home Learning will involve tasks that teachers deem suitable. Typical tasks for Home Learning might include assignments set on **Language Nut**, **Hegarty Maths** or **GCSE Pod**. Tasks might be revision and consolidation pieces, extension or project work.

Home Learning at KS4 is weekly.

Home Learning Club takes place Monday to Thursday from 3.30 to 4.30pm and all are welcome to attend.

Knowledge Organisers

All students in Years 7 to 9 will be given an Autumn Knowledge Organiser when we return in September. Students might be set home learning from this and students are encouraged to use this book independently to ensure that key themes and skills are memorised and understood and that retention and recall methods are practiced. Additional Knowledge Organisers will be given out at the start of the Spring and Summer Terms. **The expectation is that students have these with them at all times.**

Uniform & Equipment Reminder

At Ingleby Manor Free School we expect every student and member of staff to achieve the highest standards they are capable of, in every sphere of school life. High standards of personal presentation and correct wearing of uniform are important and can make a significant contribution to our ethos of mutual respect throughout the school. We encourage all students and staff to take pride in their personal presentation including having suitable haircuts and hairstyles, smart attire correctly worn, and appropriately discrete make-up and jewellery. If you have any queries or would like advice about any aspect of our uniform and presentation policy, then please ask any member of the school staff – we will be pleased to help. We have designed our uniform to be smart and practical and have consulted widely with our suppliers at Elizabeth's Embroidery and Motif 8, our Trustees, founding families, staff and the wider community.

Being Presentable at ALL Times

All students in Year 7-11 are required to wear the school uniform. Blazers must be worn, with shirts tucked in at ALL TIMES. School jumpers can be worn under their blazer.

In classes, school blazers can be removed with the approval of the class teacher. On very hot days, the Principal may notify students that they are allowed to remove their blazers. On such occasions, blazers must be carried and never forced into bags or tied around the waist.

Blazers must always be worn on corridors and when entering or leaving the school grounds at the start and end of the day.

The final decision with regard to all issues relating to uniform will be made by the Principal.

Students wearing clothing associated with religious belief should, where possible, adhere to the school's colour scheme.

Jewellery and Hairstyles

Our aim is to establish a culture of respect and hard work and as such we plan to remove avoidable distractions with the following guidelines:

Hairstyles should be sensible and hair colour should be natural. Please check with your child's Learning Manager before considering any dramatic changes to style and colour. No patterns should be shaved into hairstyles.

Hair accessories should be discreet and in dark colours e.g. black or blue.

No scarves or bandanas (unless for religious reasons).

Jewellery – No jewellery is allowed except a wristwatch and a Medic Alert necklace/bracelet. Smart Watches are not permitted. If any student is thinking about having piercings, this should be done at the start of the summer holidays as no student will be allowed to wear any type of piercing whilst in the academy.

Nails – Nail polish is not allowed. False/Acrylic/Gel nails are also not allowed.

Makeup – Any makeup worn by students should be very discreet. Students will be asked to remove makeup if not discreet. Eyebrows and eyelashes should be natural with no patterns/no shavings/no enhancements.

Mobiles are not allowed in the academy. They must be out of sight in students' bags and switched off until students cross the blue line at 3:30pm.

Coats

Coats must be plain with only small discreet logos permitted. Denim and Leather coats are not permitted.

Coats must be removed upon entering the school building.

Mobile Phones

Students are responsible for their own property whilst in school.

For students that bring Mobile phones to school, they must have them turned off and stored either in their bag or locker for the duration of the school day.

Students found using mobile phones in school will have them confiscated and a parent will be contacted to collect them.

Shoes

****School shoes must be of formal style, plain black and able to be polished or patent leather without any other colour or unacceptable embellishments (Large / Coloured**

Buckles, Large / Coloured Tassels, Large / Coloured Bows) . Heels and trainers are not permitted.

We would recommend that before making a purchase, that you check with school to determine if the chosen footwear would be deemed appropriate.
